Auto Sentry® CPT
For Self Service Locations

PSD Codax is pleased to announce the future of Self Service Cash Management and Control with the Auto Sentry® CPT.
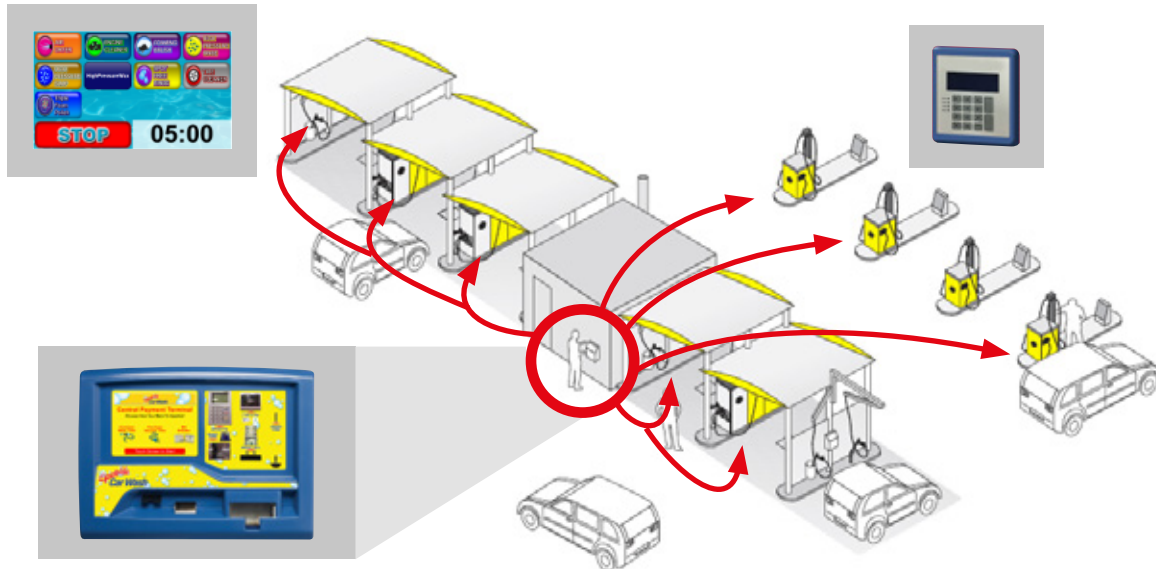

Defining the World of Car Wash Technology

Smartstart | Smartpay | Auto Sentry® Petro | Auto Sentry® Flex | Auto Sentry® CPT | WashConnect®

Auto Sentry® CPT
Versatile Central Payment Terminal for Unattended Self-service Wash Locations

The future of self-service cash management and control.

- Activate any bay or vacuum directly from the CPT
- Cost effective path to EMV in harsh self serve environment
- Generate a code to activate any bay or vacuum for a preset amount of time
- Use the mobile application to activate any bay or vacuum
- Accepts multiple forms of payment: cash, coin, credit/debit cards, gift cards, and Apple Pay/Android Pay
- Mobile application for buying and redeeming time
- Integrate with WashConnect® web-based multi-site management system
